13.28.010 Standard Water Usage Restrictions and Conversation

A. Lawn sprinkler systems shall be scheduled for operation in accordance with this ordinance at all times. The maximum rate of water demand by residential sprinkler systems shall not exceed 15 gallons per minute and shall operate in accordance with the following schedule.

Prior to any use, commercial consumers must submit an irrigation system plan and/or plan which must be pre-approved in writing by the City Council. The maximum rate of water demand by commercial sprinkler systems shall not exceed 50 gallons per minutes unless said commercial user submits an irrigation system plan with justification for variance from this restriction, which is pre-approved in writing by the City Council. Notwithstanding the restriction of 50 gallons per minute, commercial consumers who have irrigation system plans in place as of the date of this ordinance which has been pre-approved in writing by the City Council are not subject to said 50 gallons per minute restriction. All consumers shall irrigate and use District water in accordance with the following schedule:

<u>Location</u>	<u>Days of Operation</u>	<u>Hours of Operation</u>
All residential houses and commercial businesses (using potable water) with odd numbered addresses	Tuesday/ Thursday/ Saturday	12:01a.m. – 11::50 p.m.
All residential houses and commercial businesses (using potable water) with even	Wednesday/ Friday/ Sunday	12:01 a.m – 11:50 p.m.

numbered addresses

B. Special permits for new lawns may be obtained from the City Council to allow for 30-day period for establishment of new lawns.

C. The City shall have the authority pursuant to this Ordinance, but not the obligation, to disconnect sprinkler systems and/or water service, at the main or curb-cock, of any consumer who violates this Ordinance and/or does not adhere to the watering schedules set forth above.

13.28.020 Prohibited Acts During Water Emergency.

The proclamation declaring a water emergency shall set forth one or more of the following actions as being prohibited during the water emergency:

- A. Watering of lawns, trees, bushes, shrubs, gardens and other vegetation except at such times and at such locations as the City Council shall deem appropriate under the circumstances.
- B. Washing of automobiles, trucks and other vehicles.
- C. Filling, in whole or in part, swimming pools.
